# Survey Respondents (2013-2017)

- 2013: 30
- 2014: 20
- 2015: 26
- 2016: 35
- 2017: 45

Bad Research Disclaimer: the number of respondents differed from year to year; the questions changed slightly; there are certainly some duplicate entries; there are some who never responded and are not represented here; I am a hack; etc.
