Need to use this image at Hydra Connect
2017.

Work **Accomplished**

Product Design Phase

June 2015 - June 2016

Two Development Work Cycles

March 2016 - June 2017

Hyku Beta Test

May - June 2017

HykuDirect Hosted Service Pilots

May - October 2017

Project **Outcomes**

Long list of project deliverables

See: [Hydra-in-a-Box Project Deliverables](#)

While key gaps remain

See: [HykuDirect Gap Analysis](#)

The 4 L's

- **Liked:** What did the team really enjoy? What went better than expected?
- **Lacked:** What things could have been done better?
- **Learned:** What new things did the team learn during the project?
- **Longed For:** What things did the team desire that were unavailable?
